20 August 2021

Dear Parents and Students

SENIOR OPTION HANDBOOK – 2022

Please see the attached Senior Options Handbook for 2022.

It outlines the courses available to Yr11, 12 and 13 students next year.

At the top of each course outline is the email address of the teacher. Please contact the teacher with any queries.

For any further help choosing subjects please contact our Careers Advisor, Mrs Sue Ross – sross@stjohns.school.nz or Mrs Tracy Russell (Head of Curriculum) – trussell@stjohns.school.nz.

All discussions and queries should be made in the next couple of weeks thank you during week 5 and 6 (23 August – 3 Sept).

At the beginning of Week 7 (6th and 7th Sept) the students will be asked to provide their subject selections. If a meeting with the family is required at that point, we will contact you. Likewise, please request a meeting ahead of time if necessary.

The subject selection is necessary at this point in the year to enable the best possible planning for staffing and timetabling of the subjects.

Therefore, careful subject selection is necessary. Once the timetable and option lines are set, it is sometimes difficult to accommodate individual changes.

Yours faithfully

R Ferreira
Principal
