2 September 2022

Dear Parents

SENIOR OPTIONS – 2022

As you may recall from an earlier email, it was planned that at the beginning of Week 7 (6th and 7th Sept) the Yr10, Yr11 and Yr12 students would be asked to provide their subject selections for 2022. If a meeting with the family was required at that point, we would make contact.

Changes are required to that plan owing to disruption by Covid Alert Level 3. Therefore, we will now meet with students two days after we go back to school in Level 2; whatever that date may be.

Ngā mihi,
Tracy
